

## REMARKS

Claims 1, 4, 5 and 9-18 are presently pending in the application. Claims 1, 4, 5, 9-11, 13 and 16 have been amended and claims 2, 3, 6-8 and 19 have been canceled without prejudice. Claims 5 and 8 were objected to as being dependent upon a rejected base claim, but the Examiner indicated that these claims would be allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims. In this regard, Claim 1 has been amended to incorporate the limitations of claim 8 and intervening claims 7, 6, 3 and 2. Claim 5 has been made independent. Since claim 1 is now believed to be allowable, it is respectfully submitted that the claims that ultimately depend on claim 1 are allowable for at least the same reasons. Claims 9 and 10 were indicated as being allowable if rewritten to overcome rejections under 35 U.S.C. §112. Applicants submit that the amendments to the claims overcome all of the outstanding Section 112 rejections. No new matter has been added and support for the amendments to the claims can be found in the specification and drawings. In view of the above amendments, Applicant respectfully submits that the application is now in condition for allowance.

The Examiner is invited to contact the undersigned at (908) 707-1573 to discuss any matter concerning this application.

Respectfully submitted,  
J. Michael Joseph
